Registered Charity Number 1107398. Formerly known as Fundatia Emanuel Betania UK

SPRING 2023

The fifty second newsletter of a Christian Project, working to relieve poverty and restore hope in the future in Romania, since 2003.

20 YEARS OF CHRISTIAN WITNESS: 2003-2023

In February 2003 we obtained the legal papers for Fundatia Emanuel Betania, a not-for-profit company, registered in Romania. This has been the umbrella for all our work in Teiuş. An empty field has been transformed into our base [below]. One of our UK objectives is “to make a difference to 1000 people”. Through all our projects here and in other places we have reached several thousands over those 20 years. Thank you for your help!

VOLUNTEER NEEDED IN ROMANIA

There is a need for a volunteer to assist with child care at the kindergarten in Teiuş, Romania, under the umbrella of the Emanuel Betania Foundation. This would be for a period of one to two months during school term time. Free accommodation will be provided (bedroom, bathroom, kitchen, washing machine). If you, or someone you know, is interested to know more, then please contact us.

£750 NEEDED FOR ELECTRONIC WHITE BOARD

There is great disparity between the standards expected for a private kindergarten versus a State kindergarten. Last year’s inspection in Teiuş left us with a requirement to provide an electronic whiteboard. We have looked at the recent purchases within in the Buckner Foundation in Tarnaveni. A similar board would cost us £750, assuming that it will function together with our existing laptop and projector.

NOTICE OF AGM

The AGM will take place at 11am on Saturday 22 April in Shrewsbury, at a venue to be confirmed (within walking distance of the station). If you are thinking of attending, and would like further details - then please let us know. **MW**
