

MISSION TO UKRAINE

I did not understand how poor rural Ukraine is until a group from the Elim Church in Timișoara led a mission there in November 2019. Ukraine has one of the lowest incomes per capita in the world. It is a subsistence economy. Ukraine sits on top of Romania in the map below. The mission was to Poroshkova - and distributed about 200 sweatshirts donated by Rowlinson Knitwear. It is hoped to repeat this in the future, once restrictions from the virus have been lifted. **Ed.**
