

# Greetings from Fundația Emanuel Betania in Teiuș

## KINDERGARTEN

*We thank you for your prayers. We ended the old school year in June with 15 children. It was a full year with a lot of activities, education programs and biblical lessons. It was an honour to serve the little kids, and to teach them. It was also a*

*blessing that through the Foundation program we could offer parents support to leave children until 17:00 so that the mothers could go to work.*

*We started the new school year in September with 25 wonderful children. We need prayers for God's protection over all the activities we will run until June 2020.*

## SUMMER HOLIDAY CLUB

*After the end of kindergarten in June we continued for 6 weeks with summer holiday club. Children from the town came from the morning until 17:00. We had breakfast and lunch all together. We shared different bible stories with the children, where we learnt about Bible values: friendship, forgives, love, and a clean life ...*

*It was an intensive time with 30 children who were very active. We had lot of sports competitions, we played with water, played with sand, we built with wood blocks, painting, drawing, and singing. For each child with a birthday we had a Birthday Party. The age of children was from 2 years to 6 years.*

## DISABLED AND POOR CHILDREN

*We always look forward to Thursdays with pleasure. We have run this program for many years, and in that time the disabled children have grown big, some even to adults now. But they still find the Foundation is a place*

*where they can to do things that are different than at home. They enjoy sport, singing, talking, and drawing. We continue to have Andreea to help us as a volunteer, and we succeeded to pay her 200 lei each month for the help she gives. This is only a small amount, but it helps to support her. An employer will not give her a job, and her disability pension is very small.*
