

ȘONA HOLIDAY CLUB

The theme for the club at Șona was “A Wonderful Journey” from 14 to 17 August 2019. The themes for each day were: A Wonderful Creator, A Wonderful Saviour, A Wonderful Friend, and Loving Others. The majority of children that attended have no connection with the church, but each year they really enjoy the summer program. The club started with 26 kids and grew to 41 kids across the 4 days. The weather was generally hot, peaking at 30 C. But the second day was wet, preventing games outside on that day.

CORNEȘTI HOLIDAY CLUB

The holiday club at Cornești was 19 to 21 August. It started with 32 kids and finished with 39 kids across the 3 days. 7 children were from the Orthodox church. Everyone received a hot meal at lunchtime: soup, meat & vegetables, plus dessert. The leaders are wearing the back T-shirts in the photos.

LEADERS

‘The leaders at Șona and Cornești were:

Marius Rusu, Iosua Moldovan, Stefan Moldovan, Angela Moldovan, Silviu

Vasilca, Dana Vasilca, and in the kitchen: Virginia & Nelu Rusu.

Nearly all the young people went to work abroad in the summer. I am glad for those that chose to stay to help me. They gave up an opportunity of work in another country to help me, even when their own financial situation was not good.’
