

TARGU-MUREȘ

The amount of new clothing available meant that we could provide some to Targu-Mureș. I visited the city in May, and Mihaela Rusu gave me a wonderful tour of the old fortress and modern centre. Some of the clothing was distributed to a local school and kindergarten [right]. We also supplied a lot of vitamins and a few craft materials to be used within the 'Home of Love and Mercy' Day Centre [below].

ADAMUȘ

Adamuș is a large village between Cornești and Targu-Mureș. Our contact there is the teacher Melania Tatar, who has been supporting the summer holiday club in Cornești. We have supplied the school with clothing twice during 2019, in May and October.

'Thank you very much for the packages. It was a big surprise for the children. I divided everything up, and the children were very happy. We thank you! I'm sending you pictures.

I'm sorry you couldn't come to holiday club this year. I wish you good health!

Once again I thank you for your kindness and for thinking about us.
