# AUTUMN & WINTER 2022

The fifty first newsletter of a Christian Project, working to relieve poverty and restore hope in the future in Romania, since 2003.

## NEWS FROM THE SUMMER CAMPS

We helped with a number of summer activities. In Şona we provided money, materials and shirts for 40 kids [page 4]. In Cugir with the kids and teenagers from Timișoara we provided 160 T-shirts [page 5]. I was able to contribute to the morning program in Şona, and the evening program in Cugir [page 8]. Our partners in Teiuș obtained 15 places for poor teenage kids with Mission without Borders. They also ran a holiday club for 40 children in Teiuș. We aim to provide a Christian witness within a fun holiday environment for the kids; but it is also a good development opportunity for the leaders. **Ed.**

## EXPANDING OUR WORK INTO MOLDOVA

The AGM on the 26 March passed a motion that our Charity Objects be amended to allow us to expand our work into the Republic of Moldova. This was accepted by the Charity Commission on 14 May.

Moldova was originally called Bessarabia and part of Romania. It was annexed by USSR in 1940. Originally Romanian speaking, there are a lot of Russian words incorporated into modern Moldovan. See page 6 for the mission news from Remus & Catea.

## HELP NEEDED FOR KINDERGARTEN HEATING

*September 13 we met with parents, and enrolled 45 children for the new school year at the kindergarten in Teiuș. We are amazed at how God gives us power every day to cope with the program 07:30 - 18:00. Our biggest worry is that we will not have money to pay for the gas to heat the building during the winter.*

*Please help us if you can.*
