

# MOLDOVA

From March 2022 we have helped to support the work of Remus and Catea Trimbițaș based with Operation Mobilisation (OM) at Chișnău, Moldova:

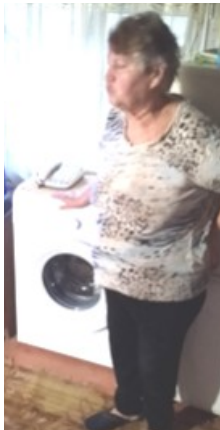

*Catea has been on maternity leave from OM since 20 September. We continue with the church planting work in Pojareni and Vasieni. In October God was faithful. Besides the works we did as a family, we had the opportunity to have a week of outreach together with sister Otilia Munteanu from Romania [right]. With the help of donated money we were able to bless Mariana in Vasieni with 10 bags of 30 kg briquettes for the winter [below]. We managed to order 2 windows and a door for her house to help keep the heat in. Her kitchen is an open lean-to on the side of the*

*house. She lives in great poverty. Valentina lives alone [below right], she has neurological problems that means she cannot move easily. To go shopping or pay bills, she needs someone to help her. Her washing machine had been malfunctioning for some time, and in the end it broke. It was very difficult for her to wash manually because of her health problems.*

*In Moldova, second-hand things are not really found in good condition, and that's why we prayed that God would help us to be able to help her buy a new one. Through this gesture she once again gave glory to God and testified that God loves her very much!*

*For the first time we organized a ladies meeting in Pojareni. With the help of Ms. Liudmila, the school director, we were able to use one of the school classrooms. At the beginning we expected 25-30 ladies, but because at the moment it is the grape picking season, we had 12 at the meeting. We were very happy to have among them the school director, the secretary from the town hall, the nurse, teachers, etc. At the end of the program they received a small New Testament with Psalms.*

*Hebrews 6:10 God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them. Thank you for continuing to be with us in the work that we do.*

*We expect our baby daughter in December.*
