

WORKING WITH REFUGEES IN CRAIOVA

*It appears that the news is not talking about the refugees from Ukraine anymore. But we haven't stopped serving the Ukrainian refugees. We continue to take care of the 50 refugees that are living here in Craiova long-term. Jenn, a missionary from Canada who speaks Russian, is doing evangelism & discipleship with some of the refugees. We arranged a special harvest thanksgiving for them. We are also still involved in helping those in Ukraine through taking regular aid convoys there. We did a convoy yesterday. Please continue to pray for us as we serve the refugees. If you feel led to donate to this ministry, you would be a big help, as we continue to help the long-term refugees here in Craiova. Thank you! **Raul Costea***

Reach 2 Romania has sent £2249 to help support this work during the period March to August 2022. We have not had the resources to continue after that. Thank you to everyone who has contributed. Thanks to the efforts of the volunteers the refugees benefit mentally, physically and spiritually from the Christian compassion and love. Regular food deliveries are made via the southern border crossing at Isaccea, from where it is delivered to Odessa, Ukraine. A significant amount of their help comes from USA. **Ed.**

BERINDEI SCHOOL

The last of our aid from 2020 to the village school in Berindei was distributed during the summer 2022. [Twister game - right, Shirts and binoculars - below]. *"I am disappointed you are no*

longer able to help us with materials for the children in school, but we hope we will remain friends, and that you will visit again one day. Please do not forget us!"
