## 2021 SUMMER CAMPS

Whilst we did not dispatch any new clothes to Romania in 2021, The Elim church in Timișoara was able to use the Polo Shirts they held in stock from 2020.

There has been a significant turnover of Sunday School leaders during the last year, with many of the old leaders moving on to family lives of their own. But what the new leaders lack in experience they make up for with lots of ideas and enthusiasm.

Photo from top to bottom show the children’s camp with white shirts for children and blue for leaders. Followed by the young teenagers in blue shirts, with the leaders in orange.

They had a great time with sport, craft, drama, singing and bible study.

Some leaders helped with one week, others with two. It is a big sacrifice for those leaders giving up two weeks holiday and income from work, and having to pay for their own place at camp. Well done to everyone who took part. We provided no finance last year.

## NOVEMBER VISIT

In November I visited Paul & Lois Kiss, and their daughter Agnes.

I gave a greeting in the

Elim church in the morning, followed by lunch and a walk with the extended Rusu family in the afternoon. In the evening I told stories to about 200 children in the various Sunday School classes. It was a very uplifting visit for both me and the children. There is little tradition of story telling in Romania. Agnes loves stories from Paul & Lois, so I hope in time she will be taking over from me. Stories will be my legacy ! **Ed.**
